POWDER
Absolutely Pure.

This powder never varies. A marvel of purity, strength and wholesomeness. Mat. McCabe, of New Brunswick, Ill., offers to pay five dollars to any person troubled with bloody flux, who will take Chamberlain's Colic, Cholera and Diarrhoea Remedy according to directions and does not get well in the shortest possible time. One half of a 25 cent bottle of this remedy cured him of bloody flux, after he tried other medicines and the prescriptions of physicians without benefit. Mr. McCabe is perfectly safe in making this offer, as more than a thousand bottles of this remedy are sold each day and it has never been known to fail in any case of colic, cholera morbus, dysentery, diarrhoea or bloody flux, when the plain printed directions were followed. For sale by G. C. Thaxter.

Attention Hunters

How Can Parents
allow their children to cough and strain and cough and calmly say: "Oh! it's only a little cold," and keep giving them cheap and dangerous medicines, until they are down with lung fever or consumption, when they can be so easily relieved by BEGG'S' CHERRY COUGH SYRUP? It has no superior and few equals. W. H. Chedic, Druggist.

Cough! and Cough! and Cough!
What in the world is the reason you will cough and keep coughing and still keep trying inferior medicines when BEGG'S' CHERRY COUGH SYRUP will positively relieve your cough at once? This is no advertising scheme, but an actual fact, and we guarantee it. W. H. Chedic, Druggist.

The fact that John Sullivan wept when he heard his mother was dying, is causing a lot of slushy moodlin comment in the Eastern papers.

Mr. Raycraft says that the man who was injured some months ago, while riding in his stage, was not thrown out, but jumped out of his own accord.

The Stockton Mail advances a new theory in the Terry killing. It says that Terry felt so bad after slapping Field that in a fit of remorse he committed suicide.

CARSON STILL THE PLACE.—After spending three months of the Summer in New York, Paris, London and San Francisco, and rambling all over California, the editor of this paper is ready to make an affidavit that the climate, scenery and various other good things of life, Carson City and the State of Nevada are not excelled by any of the localities mentioned. New York is hot and suffocating all day and all night, London is nothing but smokes and fogs, most of the people of Paris are either crazy or just about to be so, and California is one vast area of mosquitoes and fleas. A Carson man's trip abroad is one vast sigh of regret for the bracing air and healthy climate of Nevada, with its scents of pine and sagebrush, its low rate of mortality to the thousand, and its pleasant, broad-gauged people.

REV. C. L. LOGAN.—Rev. C. L. Logan, the newly appointed Methodist minister for Carson City, seems to be a gentleman who is making many friends in his new field of labor. Last Sunday his sermon was listened to with marked attention by an appreciative congregation. His manner of delivery is forcible and concise, and impresses his hearers with the fact that he is an earnest Christian, whose soul is in his work. Carson has been particularly fortunate in its ministers of the gospel, but in no instance more so than when Mr. Logan was chosen to labor in its vineyard.

IMPORTANT TO LAND LOCATORS.—Acting Commissioner General of the Land Office, Stone, has sent a telegram to the Register and Receiver of the Land Office at Independence, Cal., saying that filings allowed for land that may be selected as sites for reservoirs, ditches or canals, or lands susceptible of irrigation thereby, will be at the risk of parties filing.

THE PISTOL IN VIRGINIA.—On Saturday evening about 5:30 o'clock a man named Jenkins shot the contents of a six shooter into his wife's body, at Virginia City. The cause of the shooting was jealousy. Every one of the shots took effect and up to latest advices, the woman is in a very precarious condition. Jenkins is under arrest.

FELL DOWN A SHAFT.—A nine year old boy named Willie Mitchell, fell down a shaft in Virginia City, on Sunday morning. He fell a distance of eighty feet and he was brought to the surface dead in his father's arms.

STABBING AFFRAY.—A Chinaman was stabbed in the neck and shoulder at the head of Lake Tahoe on Sunday night last by a tramp.

MARRIED.

The Mint.
Preparations began in the Mint yesterday for a resumption of work in the coining department. We call the attention of the Virginia Chronicle to the fact that the Mint is about to resume the coining of silver, with the hope that it will be considerate enough to acknowledge it. The Democratic party closed the U. S. Mint in this city and the Republican party opened it.

The latest use of photography is to make a cannon ball take a picture of its own wabblings. An arrangement something like a camera is placed in the forward end of the projectile, and when it is fired directly at the sun the light traces lines upon the plate, from the direction of which it can be told whether the projectile has kept in one position or has wavered to and fro during its flight.

The Ormsby House restaurant has had a new show window put in, and there is the place to get your Oysters in every style, open day and night.

What on Earth
Is the reason people will not, cannot, or do not see any difference in cheap nos trumps put up by Cheap John houses or irresponsible parties at enormous profits, rather than take a medicine of world wide reputation and one that is giving universal satisfaction at equal price? No medicine in the world is giving such unparalleled satisfaction for purifying the blood as BEGG'S BLOOD PURIFIER & BLOOD MAKER, and every bottle that does not do its work, will cost you nothing. W. H. Chedic, Druggist
